Inspire Arizona is a youth civic leadership program that empowers students to improve their communities through voter registration, civic participation, civil discourse, and community action.

About the internship:

Inspire Arizona Interns will work with staff to ensure that programmatic goals are met and that the new 2015-16 Inspired Leader Class is set up for success. Our summer interns will assist the Program Coordinator in the following:

· Developing the mentorship program;
· Promoting Inspire Arizona through a small scale social media campaign (Facebook, Twitter, Instagram);
· Maintaining database for efficient tracking, reporting and follow-up on program outcomes;
· Planning the Leadership Academy training July 22nd – 24th
· Supporting future fundraising and grant writing proposals;
· Attending meetings with partners and educators;
· Other duties as assigned.

We are a youth leadership program and will work to ensure that this will be a growing and strength building experience for you as much as the work you will put in to ensure the success of our program participants.

Internships available: 2
Credits: 3 Credits – 135 hours per semester – 9 hours a week
Semester available: Fall, Spring, Summer
